

How to add Pixabay Images

Search for images from Pixabay right within the Schools-Online Editor. All images are released under the Pixabay License, which makes them safe to use without asking for permission or giving credit to the artist.

Free images from Pixabay

- Enter your Search and click the magnifying glass button.
- Click the forward arrow button for more images
- Drag the image on to your page in the normal way
- Use the down arrow button to reveal more search options

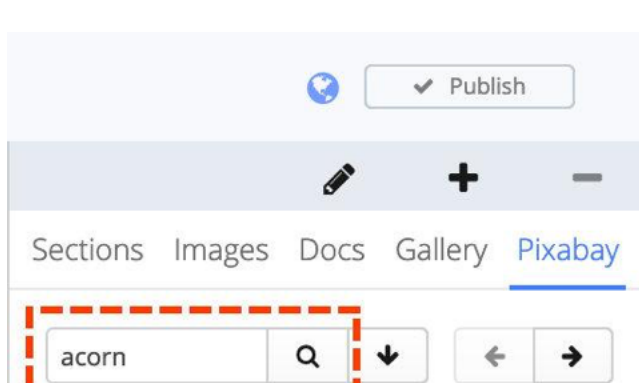

Click image to zoom!

Step 1

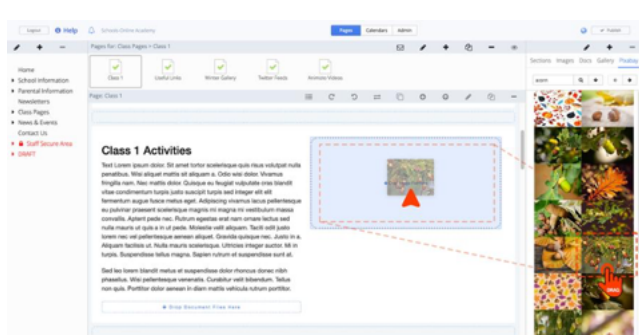

On the sidebar (top right), click on **Pixabay**.

Note: If you have a small screen, Pixabay will be located top left.

Step 2

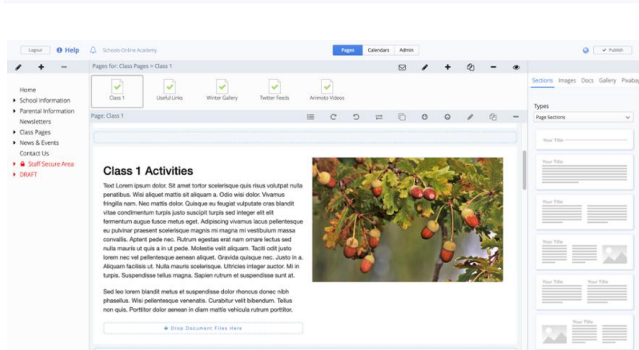

Enter a search term and click on the Search icon or press Enter on your keyboard.

Click image to zoom!

Step 3

Drag the required image into an Image Drop Zone.

Click image to zoom!

Finish

Your image has been placed and you are ready to publish.
